COUNCILLORS:	Cllr Kieran Binchy (KB) Cllr Chris Andrews (CA)
LOCAL COMMUNITY:	Mr Joe McCann (JMcC)
LRSDC:	Mr Martin Murphy (MM) Mr Roddy Guiney (RG)
VENUE:	Aviva Stadium Management Building

1. **APOLOGIES:**
   Apologies were received from AG and MD.

2. **MINUTES OF LAST MEETING:**
   It was agreed that the minutes of the meeting of 12 May were an accurate record of the meeting. Agreed minutes to be put up on the Aviva Stadium website.

3. MATTERS ARISING:
It was agreed that there were no matters arising that would not be covered under the general business of the current meeting.

4. **OPERATIONS UPDATE**:
   MM updated the meeting. He noted that there had been two games since the last meeting. These were the Ireland v England friendly soccer international and the Ireland v Scotland Euro Championship match. He said there had been no incidences in relation to the England match while there had been some issues in relation to the Scottish game. These were remedied. He noted that the next event would be AC/DC concert on 1 July. He said a full house was expected for that concert. He also noted that there would be

friendly rugby internationals against Wales and Scotland held in August prior to the Rugby World Cup.

5. **COMMUNITY FUND**:
RG noted that the report of the independent assessor had been circulated. All members of the SCC had received same. He noted that AG had said that he was in agreement with the recommendations as outlined in the report.

There followed a discussion in relation to the report.

There were points raised in relation to two of the applications. The first of these related to the usage of the goalposts being purchased. Members of the committee felt that these should be available for use on an all year round basis. RG to check into same.

In relation to the renovation of the railway bridges members of the SCC queried whether or not permission had been received from Iarnod Eireann in relation to this work. There was also a query in relation to whether or not Iarnod Eireann were investing in this project themselves. RG to look into these queries.

Otherwise the SCC gave RG the go-ahead to write to all of the projects confirming the grants which they had received. RG also to write to the organisations who would not be receiving funding.

6. **ANY OTHER BUSINESS:**
RG noted a query from AG in relation to graffiti. MM said that this was an ongoing problem which was continuously being tackled. He noted that the particular instance being discussed was not the work of one of the "graffiti artists" but random damage. He said same would be dealt with.

FL updated meeting in relation to JMcC query concerning a hamburger stand that had been set up on Shelbourne Road. FL confirmed the policy in relation to trading licences. He said the matter has now been dealt with.

7. NEXT MEETING:
The next meeting will take place on September 15, at 6:30pm, in the usual venue of the Stadium Management offices.
